

Russell Webb for CFA Vice President

POSITIVE for real **CHANGE**

My Goals

HELP UNITE AND GROW CFA—TOGETHER!

I want to do what is best for the future of our entire organization, rather than follow on the agenda of one or more factions that may put special interests ahead of the primary needs of our association.

INCREASE ASSISTANCE TO SHOW PRODUCING CLUBS

CFA is no longer in an economic slump, but our clubs are finding it harder than ever to produce shows. Let's increase the amount the region receives back from the \$2 per entry surcharge from 25 cents to 50 cents and allow the region to disperse those funds directly to clubs that need the support.

YOUR VOICE SHOULD BE HEARD

I will listen to input from clubs, exhibitors, and breeders and pass their feedback on to the board.

INCREASE TRANSPARENCY IN CFA BUSINESS

I advocate limiting closed sessions to cover only protests and contracts. This would allow clubs, exhibitors, and CFA to clearly know where their elected officials stand on every issue and hear the reasoning behind their decisions.

CONTINUE GLOBAL EXPANSION

Countries such as India and many others are a great untapped resource for CFA and would welcome our presence there.

PROMOTE CFA TO THE GENERAL PUBLIC

The average cat lover needs to know more about our cats, and our mission to help keep our hobby alive. I advocate hiring a professional service to increase CFA's visibility.
